HISTORY

The genesis of St. Michael School began in February of 1944, during the middle of the war, when Father Ernest Claus SSSC, started a Kindergarten in Damien Hall with 19 students. Seven months later, a first grade was added.

Father Benno Evers, SSSC, an energetic and dedicated priest, was installed in October 1945. Combining his efforts with architect, Rothwell of Honolulu and Isamu Abe, a contractor, Damien Hall was expanded to include a stage and a basement, which housed the second and third grades. By 1949, St. Michael became a bona fide eight grade school.

The Maryknoll Sisters, under the directorship of Sister M. Callista, took over the fledgling school and they continued their mission to teach and serve. However, in 1969, they were no longer able to staff St. Michael's due to the need to staff a large number of other schools and a shortage of Sisters. In 1973, Bishop Scanlan asked the Dominican Sisters of St. Catherine of Siena, from the Philippines, to help keep St. Michael from closing. The Dominican Sisters arrived in September of 1973, and Sister Consejo Cabansal, OP was installed as the new principal.

In September 1992, under the guidance and endeavors of a new principal, Sister William Marie Eleniki, OSF, St. Michael expanded its facilities to include a preschool, a new library, and a new computer room.

In June 2008, St. Michael underwent another change as lay principal, Mrs. Deanna M.B. Arecchi, as well as Pastor, Father Bertram Lock, ss.cc. and Parochial Vicar, Father Johnathan Hurrell, ss.cc, accomplished goals of a classroom, Parish Center, renovation to the current Parish Hall and Library, as well as new community related endeavors to help improve the school and community as a whole.

In 2012, together with new Pastor, Father Christopher Keahi, ss.cc, St. Michael School continues striving to build upon its solid curriculum and strong discipline program in partnership with parents, through the efforts of an experienced, dedicated faculty and staff adhering to the importance of providing an excellent Catholic education in the cradle of a small caring community.

After "Seventy Years of Love and Service" to the community of the North Shore, we can be justly proud of St. Michael School. With God's help and the leadership of our Bishop, Priests, Sisters, and Laity, along with the support and encouragement of our wonderful friends, community, and Parish family, St. Michael will continue to be "the best" school and an integral part of Waialua and the North Shore community.

PHILOSOPHY

St. Michael is a Catholic School which views itself as an integrated part of a larger living faith community, committed to the goal of a Christian education. St. Michael is entrusted with the profound purpose of building a community of faith, in the spirit of Christ. With parents as primary educators, we encourage each student to grow closer to Jesus Christ through the development of his/her full potential. The school provides an environment of respect and human dignity, justice, and love of God and neighbor. We strive to guide each student toward a positive self-concept and incorporate the total development of each student spiritually, intellectually, psychologically, socially, culturally, and physically.

SCHOOL MISSION STATEMENT

We, the faith community of St. Michael School, inspired by the Spirit of Christ: participate in the mission of the Church in proclaiming Jesus Christ and in building God's kingdom. We commit ourselves to a true education which seeks the total development of the individual; spiritually, intellectually, socially, morally, and physically.

CHURCH MISSION STATEMENT

We, the members of the North Shore Roman Catholic Community (Parish of St. Michael, Mission of Saints Peter and Paul, and St. Michael School), being born in the Image and Likeness of God, declare our firm commitment to our Lord Jesus Christ. Our Strength is in our Unity as a Christian Family of Faith. Our Hope is in the Renewal of ourselves as well as all those around us. Our Love for all, Urges and Inspires us to reach out to everyone with the Embrace of Christ. In this way, we desire to Proclaim and Spread the Love of Christ to all. With the help of the Holy Spirit, we shall complete the Mission to which we are called in the Catholic Church.

All students must also meet the required days in school as dictated by the State of Hawaii.

ACADEMIC PROGRAM

In **RELIGION**, we strive to communicate the message of Jesus Christ. Students are provided opportunities for study of Catholic doctrine and heritage, for prayer, and also for worship to deepen awareness of their relationship with God and others. **All** students are expected to attend classroom periods of religious instruction and scheduled church services.

The **LANGUAGE ARTS** curriculum offers a strong systematic approach to reading through understanding and the use of sounds, providing high frequency writing words to promote the transfer of spelling success to daily writing. Students also are encouraged to develop effective communication skills as they participate in class discussions, the writing process, and prepared reports and speeches.

The **READING** curriculum develops the basic decoding/ phonics, comprehension, references, and study skills. The junior high students' program focuses on literature and writing.

The **MATHEMATICS** curriculum emphasizes basic computational skills, abstract concepts, and problem solving.

(In both reading and mathematics, students may be leveled according to academic abilities and readiness.)

SOCIAL STUDIES consists of keeping abreast of current events and discussing how it affects our lives, fostering an appreciation of people around the world, our American heritage and Hawaiian culture. The goal is to instill an awareness of how history has shaped our world into what it is today, and formulate ideas and ways into continuing to make this world a better place to live in. 17

The **SCIENCE** curriculum is designed to offer a variety of meaningful experiences to develop children's natural curiosity about themselves and everything around them as they explore life, earth, and the physical sciences.

COMPUTER LITERACY is integrated into the school's curriculum. Word processing is taught in conjunction with creative writing for the upper grades and is used to enhance typing/motor skills. Under the supervision of the computer teacher, students "go" online, email, and familiarize themselves with different software.

ART and MUSIC are integrated into the curriculum to develop and cultivate the aesthetic values of the students and their varying cultures and to instill each appreciation of the fine arts.

The **PHYSICAL EDUCATION** curriculum is assigned to promote and maintain the individual's physical fitness through development and motor activities. The primary goal in this program is to help an individual develop a sense of fair play, leadership skills, enjoyment of movement, respect for rules and authority.

DISCIPLINE INFRACTIONS/DETENTIONS

The disruptive student must leave quickly, silently, and solemnly when asked to leave the classroom or be assigned to a designated area by the teacher. If given a conduct referral, the student must report immediately to the office, sign in on a designated form and remain there to complete the given assignment. The student must maintain silence in the office and is responsible for all work missed in class. While reporting to the office may seem somewhat unusual, it has proven very effective as power struggles in the classroom are averted, and the student becomes aware, in a respectful manner, that his/her behavior at the moment is not acceptable.

Minor Infractions would include the following: running in the hallways or classrooms, using inappropriate language, chewing gum, littering, etc. For minor infractions students will be issued a conduct referral. A detention will be given to the student if the student receives three conduct referrals.

Serious Infractions are dealt with immediately on an individual basis by the principal. Students will receive a detention that will be scheduled by the principal. Parents will be notified, as suspension and dismissal may be considered for any serious violation. Some major infractions would include the following: hitting, bullying of any kind (including but not limited to cyber, verbal, written, etc.), smoking, drug use or possession, vandalism, defiance towards authority figure, hostility, stealing, tampering with fire alarms, gambling, intimidation, and possessing or using harmful and dangerous weapons (guns, knives, bombs, etc.) Student offenders will be expected to make amends to the school through service and/or monetary value of damages. Parents will be notified of the arrangement made by the school administration for their child(ren).

Academic cheating or plagiarism is also a serious offense. Cheating is wrong whether it is homework, class work, or a test. It is stealing from another individual. It hinders students from seeking help from the proper sources and students do not assume their responsibility of getting their work done.

A student who decides by his/her repeated misbehavior that he/she doesn't want to be part of St. Michael School will be asked to leave. All consequences for the above infractions will be handled on a case by case basis and is at the discretion of the school administration.

DRESS CODE GUIDELINES

All students attending St. Michael School are required to wear the proper school uniform. **Students' appearance contributes greatly to their personality and attitude in and out of the classroom; therefore, they need to develop a respect for the Dress Code and wear their school uniform with pride.** St. Michael School polo shirts, crew socks with SMS symbols, hooded jackets, and Physical Education uniforms are purchased from our school office.

Should a student not comply with these dress guidelines, parents/guardians will be notified and requested to bring a proper school uniform for a change, or consequences will be given to the student. Non-compliance to dress guidelines will affect a student's evaluation for personal development and will be reflected on their report card. **Uniforms must be clean, neat, and presentable. STUDENT FINANCIAL CONTRACT INFORMATION

Returning parents will have received the 2014-2015 Student Financial Contract form with the student's registration and tuition plans. New incoming parents/students will receive the contract upon a student's acceptance. Enrollment, admission, and assignment to a class will be completed upon completion of all financial obligations. The student contract clearly states all fees are non - refundable upon enrollment. The contract lists the current tuition rate and payment options as follows:

Registration Fee: The 2014-2015 fee was due by March 31, 2014 or 10 days after acceptance.

Curriculum Expense: The 2014-2015 curriculum expense fee were due by August 1, 2014 or 10 days after acceptance.

One Payment Plan: Tuition and curriculum expenses are payable in a single installment, due in July 2014, with a \$100 discount for each child enrolled at St. Michael School. No discount after July 31, 2014.

Two Payment Plan: Tuition is payable in two installments: the first half of all charges are due on or by July 1, 2014 and the final half is due on or by November 1, 2014.

Nine - Twelve Payment Plan: Tuition is payable in nine to twelve installments. The first payment plan will start in May. Payments will be deducted electronically from your savings or checking account through the **FACTS Tuition Management Program**. There will be a one time enrollment fee of \$40 for this program. Credit card payments handled in this manner will be charged the enrollment fee plus a 2.5% service charge.

The **FACTS Tuition Management Program** is an automatic cash transfer plan in which cash is automatically transferred to the school. This program removes the school from the role of "bill collector" and still allows us to minister to any special need that may arise within a family. It also saves the school the cost of postage and printing of statements, as well as the time required in bookkeeping and collection for over 200 separate tuition accounts. This program also allows parents to monitor their account online to track on their own - pls. check with office on special details. Parents also benefit by not having to write a check each month and mailing or delivering it to the school and risking the account of being delinquent. If tuition becomes delinquent students will be released from school and the account will be sent to a collection agency.

Late Fee/Returned Check Fee: There will be a monthly late fee of 1% of the payment due. There is also a \$25 fee for any check returned to St. Michael School by the bank because of insufficient funds, etc.

FUNDRAISERS

There will be two (2) mandatory fundraisers along with optional programs throughout the year that we encourage your participation. Some of these programs will be through catalog sales, car washes, book fairs, the Holiday Extravaganza on 12/5/14, the Taste of St. Michael/May Day on 5/2/15 etc.

EMERGENCY SITUATION GUIDELINES

FLOOD ZONE

St. Michael School is not in the flood zone. (Flood Zone X)

FIRE DRILLS

Fire Drills will be held periodically. Under the supervision of teachers, the children will leave their classrooms in an orderly fashion. All will proceed to the meeting place at the far side of the playground away from the building.

In the event that our facility would be damaged by fire and uninhabitable, we will care for the children at the church and will call you to pick up your children as soon as possible.

PANDEMIC FLU

In the event of a pandemic flu crisis, the school will continue to operate until it is ordered to close or the school can not function safely due to lack of staffing. It is encouraged to promote and maintain good hand hygiene, regular cleaning and disinfection of surfaces in school, and other infection control measures.

TSUNAMI WARNING

Our school is on the fringe of the tsunami inundation zone. There is also a 24 hour warning notice. The following procedures have been adopted in the event of a TSUNAMI WARNING:

If a WARNING is issued while school is in session, our teachers will remain with the children, feed and care for them, until you can safely pick them up. You need not leave work or rush to school. If you are in, or can get to, a safe area close to where you work, it is recommended you remain in the safe area until the "all clear" is announced and to avoid contributing to unnecessary traffic on roads and highways.

If a WARNING is issued before school begins, classes will be canceled and the school will be closed. See the "rule of thumb" comment at the end of this bulletin for determining whether we are open or closed.

HURRICANE/TROPICAL STORMS

Hurricane or Tropical Storm WATCHES are issued by the National Weather Service 36 hours prior to the arrival of storm effects. Hurricane or Tropical Storm WARNINGS are issued when one of these storms could affect Oahu on 24 hours or less. When a WATCH is issued, we will monitor the storm and make decisions to close the school before the issuance of a WARNING. The timing of the closure will generally coincide with the end of a normal school day.

EARTHQUAKE

There is a high probability that a damaging earthquake will affect Oahu within our lifetime. Presently, there is no advance warning of an earthquake.

Response Procedures: In the event of an earthquake during school hours, the students, faculty, and support personnel will:

If indoors, stay indoors and take cover next to desks, tables, benches, supported doorways or against inside walls. Stay away from glass, windows and outside doors.

If outdoors, stay outdoors and move away from the building, utility poles/wires, tall trees, etc. Once in the open, stay there until the shaking stops.

Do not run through or near buildings. The greatest danger from falling debris is just outside doorways and close to outer walls. Do not use candles, matches, or other open flames either during or after tremor. Extinguish all fires.

Recovery Procedures: Once the shaking stops, everyone will remain in place (if indoors, remain indoors; if outdoors, remain outdoors) until advised otherwise by the Principal or designee. NO ONE WILL BE ABLE TO LEAVE THE CAMPUS.

Teachers will immediately account for all students and report any missing students to the Principal or designee during the damage assessment.

The Principal or designee will make a preliminary assessment of the damage. If the classroom structure is unsafe or questionable, everyone will be taken to safer locations. The Principal or designee will also determine the status of those reported missing.

The office staff, will treat and care for anyone who is injured.

The Principal or designee will determine the condition/availability of survival equipment and supplies (water, food, flashlights, portable radios, extra batteries plastic bags, etc.), prepare and establish priorities for their use, and advise civil authorities of needs.

NOTE: Should an earthquake of significant magnitude occur on Oahu, considerable disruption to our road and communication networks is anticipated. If your child(ren) is/are in school at that time, you may not be able to reach them even if you live close by. Rest assured the staff and faculty will care for your children until you can safely pick them up. As recommended by Oahu Civil Defense, we have made preparations to survive for up to 72 hours without outside assistance.

As a "rule of thumb" when a warning is issued, listen to your local radio station to see if St. Michael's School is open or closed before school begins.

CODE OF CHRISTIAN CONDUCT

The students' interest in receiving a quality, morally based education can be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the student behave in a manner, both on and off campus, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles or procedure set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies, principles or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., after care, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will result in disciplinary action short of a requirement to withdraw from the school (e.g. suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step.

WELLNESS POLICY

St. Michael School
67-340 Haona Street
Waialua, HI 96791

WELLNESS POLICY

This policy supports the mission of St. Michael School, a Hawaii Catholic School. The school community recognizes that a poor diet, combined with the lack of physical activity has a negative impact on student's health and their ability to learn, both short-term and long range.

The National Catholic Education Association statement on Accountability and Assessment in Catholic Education states that: *"We hold a sacred trust to educate and form the whole person --mind, body, and spirit."* As Catholic educators, we believe in providing consistent school activities and an environment in which students can learn to make lifestyle choices that promote their healthy futures.

The Wellness Policy of St. Michael School is to:

 - c. Allows sufficient time for students to eat lunch and to engage in social activities for physical fitness prior to consuming meals;
 - d. Enables students through a comprehensive health and physical education curricula to acquire the knowledge and skills necessary to make healthy food and physical activity choices for a lifetime.

- 2. Reduce student access to foods of minimal nutritional value through a five year plan that focuses on and:**
 - a. Ensures the integrity of the school lunch program by discouraging food and beverage sales that are in conflict with the lunch program;
 - b. Encourages teachers, students and parents to make healthy, nutritious food choices when food is used as part of a class or student incentive program, curricular lesson or fundraiser;
 - c. Practices selective pricing that favors sales of healthy foods over unhealthy food choices.
 - d. Allows food and beverages sold or served at school that try to meet or exceed the nutrition recommendations of the United States Dietary Guidelines for Americans.

BULLYING POLICY

St. Michael School recognizes that bullying and intimidation have a negative effect on school climate and negate the spirit of dignity and uniqueness of each individual we advocate in a Catholic school. Students who are intimidated and fearful cannot give their education the single-minded attention they need for success. Bullying can also lead to more serious violence. Every student has the right to an education and to be safe in and around school.

Definition of bullying. Bullying is a pattern of abuse over time and involves a student being "picked on." Bullying includes physical intimidation or assault; extortion; oral or written threats; teasing; putdowns; name-calling; threatening looks; gestures, or actions; cruel rumors; false accusations; and social isolation.

Bullying is prohibited. St. Michael School community shall not tolerate any bullying on school grounds or at any school activity on or off campus.

Staff intervention. St. Michael School expects all staff members who observe or become aware of an act of bullying to take immediate, appropriate steps to intervene-unless intervention would be a threat to staff members' safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school administration for further investigation.

Students and parents shall report bullying. St. Michael School expects students and parents who become aware of an act of bullying to report it to the school administration for further investigation. Any student who retaliates against another for reporting bullying may be subject to the consequences listed below.

Investigation procedures. Upon learning about a bullying incident, the principal, or designee, shall contact the parents of both the aggressor and the victim, interview both students, and thoroughly investigate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues.

Consequences/intervention. Consequences for students who bully others shall depend on the results of the investigation and may include counseling; a parent conference; detention; suspension and/or expulsion. Depending on the severity of the incident, the principal may also take appropriate steps to ensure student safety. These may include implementing a safety plan; separating and supervising the students involved; providing staff support for students as necessary; and developing a supervision plan with the parents.

SAFE ENVIRONMENT PROGRAM

The Church endorses the mandatory reporting provisions of H.R.S. Chapter 350 concerning child abuse. All staff members and teachers/catechists are required to sign an acknowledgement that they have read and understood the ethical and personal conduct policies of the Diocese of Honolulu.

Consistent with diocesan policy, St. Michael School, will conduct Safe Environment training as part of the religious education curriculum. Attached is the "Parent Information" to review and understand the Safe Environment curriculum.

Kindly return this form to acknowledge that you have read and understand the "Parent Information" from St. Michael School. If have any questions or concerns regarding this implementation please feel free to contact the school for more details.

Technology and Internet Acceptable Use Policy For All School Employees and Students in Grades 2-8 St. Michael School, Waialua, Hawaii

Technology is an essential educational tool whose use must be grounded in the values and mission of Catholic education. All users, **faculty, staff, administrators, and students**, are expected to exhibit high standards of behavior at all times when using the Internet, email and other technology.

The use of the school's network and the internet is a privilege, not a right. The use of computer systems and the Internet at School must be in support of the educational mission and objectives of the Diocese of Honolulu and of St. Michael School. Inappropriate use may result in cancellation of those privileges. Based upon the Acceptable Use Policy guidelines in this document, the Principal will deem what is inappropriate use and his/her decision is final. In addition, the Principal has the right to close an account at any time. School authorities may take other disciplinary actions for any unacceptable behaviors. The administration, faculty and staff may request that the Principal deny or revoke specific user access. Additionally, the cost of any repairs caused by inappropriate behavior will be the responsibility of the student and his/her family.

Prior to being given access to the school's computers and internet, all staff members, as well as students in grades six through eighth and their parent(s), must return the signed Technology and Internet Acceptable Use Contract. Students in grades K-5 will return the Computer and Internet Promises form. These agreements will be completed every year.

System users at school have no right to privacy and should have no expectation of privacy in materials sent, received, or stored in school-owned computers or on the school network. All communications (including email) and information accessible via the network is school property. Messages relating to or in support of illegal activities may be reported to authorities. The technology coordinator/system administrator supervises the use of the network by students and school personnel. He/she has access to all files and email and may authorize access as necessary. Security on our computer system is a high priority. Anyone with reason to suspect a security problem on the school network must notify an appropriate authority.

At school, the faculty and staff blend thoughtful use of computers and the internet throughout the curriculum and provide guidance and instruction to students in their use. The school provides controls and filtering protection on the school's network. Outside of school, families bear responsibility for the education and monitoring of their students in internet and computer usage much as they do with television, telephones, radio, movies, and other media. The school may not be held responsible for users' intentional misuse of the Internet or equipment.

Computer and Internet Promises For Grades K-1

St. Michael School Waialua, Hawaii

The use of the computers and the internet at St. Michael School must be for learning. We believe that using technology to learn is an important tool as long as students act responsibly.
