PROFESSIONAL MEMBERSHIP AND ACCREDITATION

St. Michael School is a member of the Hawaii Catholic Schools (HCS) and the National Catholic Educational Association (NCEA)

St. Michael School is fully accredited by the Western Catholic Educational Association (WCEA) and Western Association of Schools and Colleges (WASC)

St. Michael Preschool is licensed by the Hawaii State Department of Human Services to legally operate as a group child care facility.

HISTORY

The genesis of St. Michael School began in February of 1944, during the middle of the war, when Father Ernest Claus SSCC, started a Kindergarten in Damien Hall with 19 students. Seven months later, a first grade was added.

Father Benno Evers, ss.cc., an energetic and dedicated priest, was installed in October 1945. Combining his efforts with architect Rothwell of Honolulu and contractor Isamu Abe, Damien Hall was expanded to include a stage and a basement, which housed the second and third grades. By 1949, St. Michael became a bona fide eight-grade school.

The Maryknoll Sisters, under the directorship of Sister M. Callista, took over the fledgling school and they continued their mission to teach and serve. However, in 1969, they were no longer able to staff St. Michael's due to the need to staff a large number of other schools and a shortage of Sisters. In 1973, Bishop Scanlan asked the Dominican Sisters of St. Catherine of Siena, from the Philippines, to help keep St. Michael from closing. The Dominican Sisters arrived in September of that year, and Dominican Sister Consejo Cabansal, was installed as the new principal.

In September 1992, under the guidance and endeavors of a new principal, Sister William Marie Eleniki, OSF, St. Michael expanded its facilities to include a preschool, a new library, and a new computer room.

In June 2008, St. Michael underwent another change as lay principal, Mrs. Deanna M.B. Arecchi, as well as Pastor, Father Bertram Lock, ss.cc. and Parochial Vicar, Father Johnathan Hurrell, ss.cc, accomplished goals of a classroom, Parish Center, renovation to the current Parish Hall and Library, as well as new community-related endeavors to help improve the school and community as a whole.

Mr. Kainoa Fukumoto was appointed as St. Michael School's newest principal in 2017, and in a short time, has reinvigorated the school to become an exemplary Catholic educational institution. The school, in partnership with families and parishioners, and through the efforts of an experienced, dedicated faculty and staff, continues to build on the past and welcome into the future the importance of providing an excellent Catholic education in the cradle of a small caring community.

After more than seventy-five years of service to the community of the North Shore, we are proud of Saint Michael School. With God's help and the leadership of our Bishop, Priests, Sisters, and Laity, along with the support and encouragement of our wonderful friends, community, and Parish family, St. Michael will continue to be "the best" school and an integral part of Waiialua and the North Shore community.

SCHOOL MISSION STATEMENT

We, the faith community of St. Michael School, inspired by the Spirit of Christ: participate in the mission of the Church in proclaiming Jesus Christ and in building God's kingdom. We commit ourselves to a true education which seeks the total development of the individual: spiritually, intellectually, socially, morally, and physically.

PHILOSOPHY

St. Michael is a Catholic School which views itself as an integrated part of a larger living faith community, committed to the goal of a Christian education. St. Michael is entrusted with the profound purpose of building a community of faith, in the spirit of Christ. With **parents as primary educators**, we encourage each student to grow closer to Jesus Christ through the development of his/her full potential. The school provides an environment of respect and human dignity, justice, and love of God and neighbor. We strive to guide each student toward a positive self-concept and incorporate the total development of each student spiritually, intellectually, psychologically, socially, culturally, and physically.

CHURCH MISSION STATEMENT

We, the members of St. Michael Parish, consisting of St. Michael Church, the Mission of Sts. Peter and Paul, and St. Michael School, declare our firm commitment to our Lord Jesus Christ, to unity as a Christian family of faith, to our spiritual, intellectual, social, moral, and physical renewal, and to the proclamation of Christ's love to all. With the help of the Holy Spirit, we will continue the mission entrusted to us.

CATHOLIC TEACHING CURRICULUM AGREEMENT

The mission of Catholic education in the Roman Catholic Diocese of Honolulu is to form children who are nourished spiritually, intellectually, and liturgically to share the presence of Christ in the world.

Our Catholic educational institutions are obligated by our faith to shape our youth by immersing students in curriculum and experiences rooted in Catholic teaching and doctrine with emphasis on morality and Christian character building. This formation paired with 21st Century academics and teaching methods are critical for success at any Catholic educational institution in Hawaii.

Each family has choices in the education and faith formation of their children. We expect all families who have chosen to enroll their children to share fully in the light of Christ and to cooperate and support the mission and activities of Catholic School education in the Diocese of Honolulu.

Continued enrollment is not automatic and the school reserves the right to admit or deny admission to any student at the discretion of the administration.

“The education of a student is a partnership between the parents and the school. Community service is the sharing of time and talents with others without payment. It is meant to round the child by building self-esteem and satisfaction in giving of themselves.

HEALTH/ILLNESS/MEDICATIONS

Please let the school office know of any special health needs that your child might have, such as allergies, asthma, etc.. The Preschool staff will provide only minor medical needs, such as, ice packs to prevent swelling, band aids for scrapes and abrasions, and the taking of temperatures.

If a child becomes sick during school hours (99 degree or higher temperature, vomiting, diarrhea, etc...)Which would cause a student to be unable to keep up with the day's activities, the parent(s) or emergency contact person will be notified and requested to pick up the child as soon as possible. Your child needs to be "fever- free" for 24 hours to return to school.

A doctor and parent's note must be presented to your child's homeroom teacher if your child has missed more than 3 days of school due to illness before your child can be readmitted into school. Please keep the school office and/or your child's homeroom teacher informed of your child's illness and expected return date, if known.

Medication: The preschool will administer medication to a student under the following conditions:

- **NO medication will be administered without written consent.** Authorization forms are available in the school office.

- Prescribed or "over the counter" medication must be kept in its original container with the dosage label intact & legible.

Head Lice: Head lice is a year-round problem in Hawaii. If your child has head lice please make sure that your child is treated by a physician or from a medicated shampoo. After treatment please recheck to be sure that all lice/nits (eggs) are gone. Please inform the school if you think your child has lice so the other students can be checked to prevent spreading of lice throughout the school.

Accident Policy: Although children are under constant supervision, accidents do occur. Minor accidents are treated immediately. Each staff member is first aid certified. Parents will be notified of major accident/serious injury as soon as possible for the health and safety of the child. In these cases an accident report is filed in the school office. If parents and/or the emergency contact cannot be reached the school will have the child transported for treatment to the closest hospital emergency room. An adult will accompany and stay with the child to the emergency room until the parent/guardian assumes responsibility for the child's care.

Child Abuse Reporting: Hawaii State Law dictates that all teachers and childcare givers are required to report any suspected cases of child abuse or neglect to Child Protective Services.

PARENTS AND VISITORS ON CAMPUS

For security reasons, no one is allowed to go directly to the classroom at any time. All visitors are to report to the school office. Visits to the classrooms, library, playground, etc., must be pre-arranged and approved by school administration.

Authority to Direct Persons to Leave the School Campus:

3. Threaten the health and/or safety of students, school personnel, or others on the school campus;
4. Intentionally cause damage to school property or the property of others on the school campus;
5. Use loud or offensive language on the school campus.

The persons may be directed to leave the school campus by the administration. If the person refuses to leave the school campus as directed, the administrator or other authorized personnel shall seek the assistance of a law enforcement officer and request that the officer take such action as deemed necessary.

Student Early Dismissal:

If a child is being picked up prior to the end of a school day a parent/guardian will need to send in a note to notify the Preschool staff of date and time so that the child can be ready upon pickup. **At no time shall the parent go directly to the classroom to remove or return a student. If someone other than the parent/guardian is picking up the child a note is needed with the authorized person's name as well as a current phone number so that the parent/guardian can be reached for verification.

STUDENT WITHDRAWAL

Families desiring to withdraw a student from St. Michael School should provide written notification two (2) weeks prior to planned withdrawal. This time frame will allow administration personnel time to complete transfer documents, compile student records, and provide final billing in order to rectify outstanding accounts. If this is regarding a military transfer the school would need a copy of the transfer orders. Final grades will try to be tabulated but cannot be guaranteed to be available upon the student's final day. Parents are encouraged to leave a mailing address in order for the school to provide remittance and mail any corresponding documents. Each situation will be handled on a case by case basis.

LUNCH / SNACK

Lunch:

School lunches are provided through a partner vendor. Lunch order forms are released monthly.

Students may also bring home lunches. The school recommends that lunches have a nutritional value. Please NO glass containers for safety reasons. If lunch will be dropped off prior to your child's lunch, please advise Preschool personnel as to what time and label the lunch properly. Under no circumstances should a parent/guardian drop off the lunch directly to a classroom, as this could disrupt the student's class environment.

Snack/Drinks:

Nutritious snacks/drinks need to be provided by parents daily.

DRIVE THROUGH PROCEDURES

We will be utilizing the drop-off/pick up driveway. Please read the following instructions carefully:

Preschoolers and siblings may be dropped off at the Preschool door in the mornings. However, for dismissal, only Preschoolers may be picked up at Preschool. All preschoolers will be ready for dismissal by 2:20 PM. After 2:50 PM (Monday, Tuesday, Thursday, & Friday) and 1:00 PM (Wednesday) the gate will be closed and your child will be sent to After Care.

Students should also be buckled in a car/booster seat at all times – this is Hawaii state law.

Do not get out of your car to walk over to the gate/door. This causes traffic build up. Wait patiently in your vehicle until the car in front of you moves along. The JPO's will not walk over to your car. The JPO's will be there to help your child exit/enter the vehicle as well as have the sign in/out sheets ready for your signature.

****Any persons dropping off/picking up students must be dressed appropriately.**

3. Complete their assignments on time with care
4. Work independently or participate fully in collaborative tasks according to the teachers' directions
5. Strive not only for good grades but also for knowledge and understanding

STUDENT/PARENT/TEACHER CONFERENCES

Second quarter conferences are mandatory for all preschoolers. Third quarter conferences are mandatory for parents and students who have concerns with advancement or are parent or teacher initiated. These conferences provide an opportunity to discuss the student's personal and social development as well as their academic progress. They also offer an opportunity to acknowledge and encourage each student's strengths, while setting realistic goals to overcome weaknesses.

PROMOTION/RETENTION POLICY

The possibility of student retention shall be discussed with a parent before the end of the third quarter. Students who may need more instruction may be recommended to stay in preschool another year.

DISCIPLINE INFRACTIONS/DETENTIONS

St. Michael Preschool utilizes positive language to explain limits, describe social expectations, and maintain cooperation with the children. If a child seems to need a "cooling off" period, "time out" is available to provide the child with a time and place to calm down, reflect, and adjust to the situation at hand. This time is presented in a positive way (everyone needs "time out" from time to time). Parents will receive a "Conduct Referral" form, as shown below, if a child's behavior is excessive. Constant inappropriate behavior will be discussed with parents as soon as possible. A plan will be drafted, with parents' help, to support the child in overcoming any inappropriate behavior.

While reporting to the office may seem somewhat unusual, it has proven very effective as power struggles in the classroom are averted, and the student becomes aware, in a respectful manner, that his/her behavior at the moment is not acceptable.

Minor Infractions would include the following: running in the hallways or classrooms (actions injuring to him/her and others, destroying property); pushing, teasing, hitting, using inappropriate language, chewing gum, littering, etc.

Student offenders will be expected to make amends to the school through service and/or monetary value of damages. Parents will be notified of the arrangement made by the school administration for their child(ren).

Serious Infractions are dealt with immediately on an individual basis by the principal. Parents will be notified, as suspension and dismissal may be considered for any serious violation. Some major infractions would include the following: hurtful teasing, smoking, drug use or possession, vandalism, defiance towards authority figure, hostility, stealing, tampering with fire alarms, gambling, intimidation, and possessing or using harmful and dangerous weapons (guns, knives, bombs, etc.)

A student who decides by his/her repeated misbehavior that he/she doesn't want to be part of St. Michael School will be allowed to leave.

LITURGICAL ASSEMBLIES

As part of the Religion Program, the school children and faculty/staff attend Mass regularly. The school masses usually start at 8:00 AM every Wednesday. Students are trained to serve as altar servers, lectors, cantors, and choir members. The Church is the house of God; therefore, proper Church behavior is observed at all times.

STUDENT ASSEMBLIES

The student body gathers together daily in the school courtyard to pray, witness the raising of the flag and the recite the pledge of allegiance, the school wide learning expectations, and singing of the national anthem, school alma mater, and state anthem. Daily Announcements made by the Student Council and Principal are also addressed at this time.

STUDENT FINANCIAL CONTRACT INFORMATION

Returning parents will have received the 2020-2021 Student Financial Contract form with the student's registration and tuition plans. New incoming parents/students will receive the contract upon a student's acceptance. Enrollment, admission, and assignment to a class will be completed upon completion of all financial obligations. The student contract clearly states all fees are non - refundable upon enrollment. The contract lists the current tuition rate and payment options as follows:

Comprehensive Fee: The comprehensive (enrollment) fee is due by June 30, 2020 or 10 days after acceptance.

One Payment Plan: Tuition and curriculum expenses are payable in a single installment, due in July 2020, with a \$100 discount for each child enrolled at St. Michael School. No discount after July 31, 2020.

Two Payment Plan: Tuition is payable in two installments: the first half of all charges are due on or by July 2020 and the final half is due on or by November 2020. A \$10 Plan Fee will be charged for each transaction. If payment is missed, your balance will be transferred to a monthly plan.

Nine – Twelve Payment Plan: Tuition is payable in nine to twelve installments. The first payment plan will start in May. Payments will be deducted electronically from your savings or checking account through the FACTS Tuition Management Program. There will be a one-time enrollment fee of \$40 for this program. Credit card payments handled in this manner will be charged the enrollment fee plus a 2.5% service charge.

The FACTS Tuition Management Program is an automatic cash transfer plan in which cash is automatically transferred to the school. This program removes the school from the role of "bill collector" and still allows us to minister to any special need that may arise within a family. It also saves the school the cost of postage and printing of statements, as well as the time required in bookkeeping and collection for over 200 separate tuition accounts. This program also allows parents to monitor their account online to track on their own – pls. check with office on special details. Parents also benefit by not having to write a check each month and mailing or delivering it to the school and risking the account of being delinquent. If tuition becomes delinquent students will be released from school and the account will be sent to a collection agency.

Late Fee/Returned Check Fee: There will be a monthly late fee of 1% of the payment due. There is also a \$25 fee for any check returned to St. Michael School by the bank because of insufficient funds, etc.

FUNDRAISERS

Families are required to participated in two mandatory annual fundraisers; one for Fall and one for Spring. Each family is required to raise at least \$150.00 for each fundraiser, or \$300.00 total for both. We also encourage parental support and participation in other fundraising activities of the school that take place throughout the year.

Families may “opt out” of the required participation if they make a \$249.00 contribution to Saint Michael School through Foodland’s Give Aloha program in September. If a family makes the required contribution, they must turn in a copy of their receipt of contribution to the school office with the student name written on the receipt.

EMERGENCY SITUATION GUIDELINES

FLOOD ZONE

St. Michael School is not in a flood zone. (Flood Zone X)

FIRE DRILLS

Fire Drills will be held periodically. Under the supervision of teachers, the children will leave their classrooms in an orderly fashion. All will proceed to the meeting place at the far side of the playground away from the building.

In the event that our facility would be damaged by fire and uninhabitable, we will care for the children at the church and will call you to pick up your children as soon as possible.

PANDEMIC FLU

In the event of a pandemic flu crisis, the school will continue to operate until it is ordered to close or the school cannot function safely due to lack of staffing. It is encouraged to promote and maintain good hand hygiene, regular cleaning and disinfection of surfaces in school, and other infection control measures.

TSUNAMI WARNING

Our school is on the fringe of the tsunami inundation zone. There is also a 24-hour warning notice. The following procedures have been adopted in the event of a tsunami warning:

- If a WARNING is issued while school is in session, our teachers will remain with the children, feed and care for them, until you can safely pick them up.
- You do not need to leave work or rush to school.
- If you are in, or can get to, a safe area close to where you work, it is recommended you remain in the safe area until the “all clear” is announced to avoid contributing to unnecessary traffic on roads and highways.
- If a WARNING is issued before school begins, classes will be canceled and the school will be closed.

HURRICANE/TROPICAL STORMS

Hurricane or Tropical Storm WATCHES are issued by the National Weather Service 36 hours prior to the arrival of storm effects. Hurricane or Tropical Storm WARNINGS are issued when one of these storms could affect Oahu on 24 hours or less. When a WATCH is issued, we will monitor the storm and make decisions to close the school before the issuance of a WARNING. The timing of the closure will generally coincide with the end of a normal school day.

EARTHQUAKE

There is a high probability that a damaging earthquake will affect Oahu within our lifetime. Presently, there is no advance warning of an earthquake.

Response Procedures:

In the event of an earthquake during school hours, the students, faculty, and support personnel will follow these procedures:

- If indoors, remain indoors and take cover next to desks, tables, benches, supported doorways or against inside walls away from glass, windows and outside doors.
- If outdoors, remain outdoors and move away from the building, utility poles/wires, tall trees, etc. Once in the open, remain there until the shaking stops.
- Do not run through or near buildings. The greatest danger from falling debris is just outside doorways and close to outer walls. Do not use candles, matches, or other open flames either during or after tremor. Extinguish all fires.

Recovery Procedures:

- Once the shaking stops, everyone will remain in place (if indoors, remain indoors; if outdoors, remain outdoors) until advised otherwise by the Principal or designee. **NO ONE WILL BE ABLE TO LEAVE THE CAMPUS.**
- Teachers will immediately account for all students and report any missing students to the Principal or designee during the damage assessment.
- The Principal or designee will make a preliminary assessment of the damage. If the classroom structure is unsafe or questionable, everyone will be taken to safer locations. The Principal or designee will also determine the status of those reported missing.
- The office staff, will treat and care for anyone who is injured.
- The Principal or designee will determine the condition/availability of survival equipment and supplies (water, food, flashlights, portable radios, extra batteries plastic bags, etc.), prepare and establish priorities for their use, and advise civil authorities of needs.

NOTE: Should an earthquake of significant magnitude occur on Oahu, considerable disruption to our road and communication networks is anticipated. If your child(ren) is/are in school at that time, you may not be able to reach them even if you live close by. Rest assured the staff and faculty will care for your children until you can safely pick them up. As recommended by Oahu Civil Defense, we have made preparations to survive for up to 72 hours without outside assistance.

As a “rule of thumb” when a warning is issued, listen to your local radio or television station to see if St. Michael’s School is open or closed before school begins. When possible, a notice will also be posted through our Facebook and school website.

BALLISTIC MISSILE THREAT

If civil defense sirens are sounded during school hours due to a possible ballistic missile attack, there is only about 15-20 minutes to react:

- **Preschool-Grade 1:** Teachers will quickly gather and account for students into the Preschool Technology Room (center room).
- **Grades 2-8:** Teachers will quickly gather and account for students into the mail room & backroom of the office.

Due to the limited time span and safety concerns, parents are advised to not come to the school, but to seek shelter in a location nearest to them.

ACTIVE SHOOTER SITUATION

Unfortunately, the incidents of active shooters in schools have become much more prevalent in our country. St. Michael School is still in the process of developing a solid emergency and lockdown plan in the event of an active shooter situation on our campus. In addition to an execution plan, St. Michael School is also looking into increasing other security features around the campus such as the installation of cameras, door jamming features, and others.

CODE OF CHRISTIAN CONDUCT

The students' interest in receiving a quality, morally based education can be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the student behaves in a manner, both on and off campus that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles or procedure set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies, principles or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. These expectations for students and parents/guardians include, but are not limited to; all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step.

WELLNESS POLICY

This policy supports the mission of St. Michael School, a Hawaii Catholic School. The school community recognizes that a poor diet, combined with the lack of physical activity has a negative impact on student's health and their ability to learn, both short term and long range.

The National Catholic Education Association statement on Accountability and Assessment in Catholic Education states that: *"We hold a sacred trust to educate and form the whole person – mind, body, and spirit."* As Catholic educators, we believe in providing consistent school activities and an environment in which students can learn to make lifestyle choices that promote their healthy futures.

The Wellness Policy of St. Michael School is to:

1. Provide a positive environment and appropriate knowledge of health food choices and the benefits of daily physical activity that:
 - a. Ensure that students have access to healthy food choices and safe physical activities at school and at school functions.
 - b. Provide a pleasant eating environment and secure playground for students and staff.
 - c. Allows sufficient time for students to eat lunch and to engage in social activities for physical fitness prior to consuming meals.
 - d. Enable students through a comprehensive health and physical education curricula to acquire the knowledge and skills necessary to make healthy food and physical activity choices for a lifetime.
2. Reduce student access to foods of minimal nutritional value through a five-year (5-year) plan that focuses on and:
 - a. Ensures the integrity of the school lunch program by discouraging food and beverage sales that are in conflict with the lunch program.
 - b. Encourages teachers, students and parents to make healthy, nutritious food choices when food is used as part of a class or student incentive program, curricular lesson or fundraiser.
 - c. Practices selective pricing that favors sales of healthy foods over unhealthy food choices.
 - d. Food and beverages sold or served at school will meet or exceed the nutrition recommendations of the United States Dietary Guidelines for Americans.
3. Provide opportunities for school community involvement in the development, review, assessment, and implementation of St. Michael School's Wellness Policy, and to ensure that this policy is being met.
 - a. A school committee shall utilize the School Health Index and/or other sources of evaluation to identify priority areas, monitor improvements, and report findings to the school principal or his/her designee annually.

BULLYING POLICY

St. Michael School recognizes that bullying and intimidation have a negative effect on school climate and negate the spirit of dignity and uniqueness of each individual we advocate in a Catholic school. Students who are intimidated and fearful cannot give their education the single-minded attention they need for success. Bullying can also lead to more serious violence. Every student has the right to an education and to be safe in and around school.

1. **Definition of bullying.** Bullying is a pattern of abuse over time and involves a student being “picked on.” Bullying includes physical intimidation or assault; extortion; oral or written threats; teasing; putdowns; name-calling; threatening looks; gestures, or actions; cruel rumors; false accusations; and social isolation.
2. **Bullying is prohibited.** The St. Michael School community shall not tolerate any bullying on school grounds or at any school activity on or off campus.
3. **Staff intervention.** St. Michael School expects all staff members who observe or become aware of an act of bullying to take immediate, appropriate steps to intervene—unless intervention would be a threat to staff members’ safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school administration for further investigation.
4. **Students and parents shall report bullying.** St. Michael School expects students and parents who become aware of an act of bullying to report it to the school administration for further investigation. Any student who retaliates against another for reporting bullying may be subject to the consequences listed below in paragraph 6.
5. **Investigation procedures.** Upon learning about a bullying incident, the principal, or designee, shall contact the parents of both the aggressor and the victim, interview both students, and thoroughly investigate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues.
6. **Consequences/intervention.** Consequences for students who bully others shall depend on the results of the investigation and may include counseling; a parent conference; detention; suspension and/or expulsion. Depending on the severity of the incident, the principal may also take appropriate steps to ensure student safety. These may include implementing a safety plan; separating and supervising the students involved; providing staff support for students as necessary; and developing a supervision plan with the parents.
