St. Michael School is a member of the Hawaii Catholic Schools (HCS) and the National Catholic Educational Association (NCEA)

St. Michael School is fully accredited by the Western Catholic Educational Association (WCEA) and Western Association of Schools and Colleges (WASC)

## HISTORY

The genesis of St. Michael School began in February of 1944, during the middle of the war, when Father Ernest Claus SSCC, started a Kindergarten in Damien Hall with 19 students. Seven months later, a first grade was added.

Father Benno Evers, ss.cc., an energetic and dedicated priest, was installed in October 1945. Combining his efforts with architect Rothwell of Honolulu and contractor Isamu Abe, Damien Hall was expanded to include a stage and a basement, which housed the second and third grades. By 1949, St. Michael became a bona fide eight-grade school.

The Maryknoll Sisters, under the directorship of Sister M. Callista, took over the fledgling school and they continued their mission to teach and serve. However, in 1969, they were no longer able to staff St. Michael's due to the need to staff a large number of other schools and a shortage of Sisters. In 1973, Bishop Scanlan asked the Dominican Sisters of St. Catherine of Siena, from the Philippines, to help keep St. Michael from closing. The Dominican Sisters arrived in September of that year, and Dominican Sister Consejo Cabansal, was installed as the new principal.

In September 1992, under the guidance and endeavors of a new principal, Sister William Marie Eleniki, OSF, St. Michael expanded its facilities to include a preschool, a new library, and a new computer room.

In June 2008, St. Michael underwent another change as lay principal, Mrs. Deanna M.B. Arecchi, as well as Pastor, Father Bertram Lock, ss.cc. and Parochial Vicar, Father Johnathan Hurrell, ss.cc, accomplished goals of a classroom, Parish Center, renovation to the current Parish Hall and Library, as well as new community-related endeavors to help improve the school and community as a whole.

Mr. Kainoa Fukumoto was appointed as St. Michael School's newest principal in 2017, and in a short time, has reinvigorated the school to become an exemplary Catholic educational institution. The school, in partnership with families and parishioners, and through the efforts of an experienced, dedicated faculty and staff, continues to build on the past and welcome into the future the importance of providing an excellent Catholic education in the cradle of a small caring community.

After seventy-seven years of service to the community of the North Shore, we are proud of Saint Michael School. With God's help and the leadership of our bishop, priests, sisters, and laity, along with the support and encouragement of our wonderful friends, community, and parish family, St. Michael School will continue "ad victoriam," onto victory!

## **SCHOOL MISSION STATEMENT**

We, the faith community of St. Michael School, inspired by the Spirit of Christ: participate in the mission of the Church in proclaiming Jesus Christ and in building God's kingdom. We commit ourselves to a true education which seeks the total development of the individual: spiritually, intellectually, socially, morally, and physically.

## **PHILOSOPHY**

St. Michael is a Catholic School which views itself as an integrated part of a larger living faith community, committed to the goal of a Christian education. St. Michael is entrusted with the profound purpose of building a community of faith, in the spirit of Christ. With parents as primary educators, we encourage each student to grow closer to Jesus Christ through the development of his/her full potential. The school provides an environment of respect and human dignity, justice, and love of God and neighbor. We strive to guide each student toward a positive self-concept and incorporate the total development of each student spiritually, intellectually, psychologically, socially, culturally, and physically.

## **CHURCH MISSION STATEMENT**

We, the members of St. Michael Parish, consisting of St. Michael Church, the Mission of Sts. Peter and Paul, and St. Michael School, declare our firm commitment to our Lord Jesus Christ, to unity as a Christian family of faith, to our spiritual, intellectual, social, moral, and physical renewal, and to the proclamation of Christ's love to all. With the help of the Holy Spirit, we will continue the mission entrusted to us.

## **CATHOLIC TEACHING CURRICULUM AGREEMENT**

The mission of Catholic education in the Roman Catholic Diocese of Honolulu is to form children who are nourished spiritually, intellectually, and liturgically to share the presence of Christ in the world.

Our Catholic educational institutions are obligated by our faith to shape our youth by immersing students in curriculum and experiences rooted in Catholic teaching and doctrine with emphasis on mortality and Christian character building. This formation paired with 21<sup>st</sup> Century academics and teaching methods are critical for success at any Catholic educational institution in Hawaii.

Each family has choices in the education and faith formation of their children. We expect all families who have chosen to enroll their children to share fully in the light of Christ and to cooperate and support the mission and activities of Catholic School education in the Diocese of Honolulu.

### ABSENCES

Parents/guardians are requested to call or email the school office between 7:30 AM and 8:15 AM to report a student's absence. Upon returning to school the student must present his/her teacher with a written note by the parent/guardian. Absences longer than three (3) days require a physician's note upon returning to school. Students will receive that work upon their return to school and have the same number of days that the child was absent to complete and return work. Students are expected to stay after school to complete make up tests. If work assigned is not completed and the student is not able to make-up work, missed it will reflect on the student's grades.

**HEALTH/ILLNESS/MEDICATIONS**

Please let the school office know of any special health needs that your child might have, such as allergies, asthma, etc. Health conditions should be noted on the child's health and emergency information during enrollment. Office staff will provide **only** minor medical needs, such as, ice packs to prevent swelling, band aids for scrapes and abrasions, and the taking of temperatures.

**DO NOT SEND YOUR CHILD TO SCHOOL IF HE/SHE IS EXHIBITING ANY CONCERNING SYMPTOMS OF CONTAGIOUS DISEASE.** If a child becomes sick during school hours (99 degree or higher temperature, vomiting, diarrhea, etc.), the child will be isolated from other students and parent(s) or emergency contact person will be notified and requested to pick up the child as soon as possible.

- Prescribed or "over the counter" medication must be kept in its original container with the dosage label intact & legible.

Head Lice:

Head lice is a year-round problem in Hawaii. St. Michael School does not follow the state Department of Education's directive to public schools on allowing students with head lice to remain in class. Students who are found to have head lice while in school will be sent home. If your child has head lice, make sure that your child is treated by a physician and/or treated with a medicated shampoo. After treatment, recheck to be sure that all lice/nits (eggs) are gone. Please inform the school if you think your child has lice so the other students can be checked to prevent spreading of lice throughout the school.

Accident Policy:

Although children are under constant supervision, accidents do occur. Minor accidents are treated immediately. All faculty and staff are first aid certified. Parents will be notified of major accident/serious injury as soon as possible for the health and safety of the child. In these cases, an accident report is filed in the school office. If parents and/or the emergency contact cannot be reached, the school will have the child transported for treatment to the closest hospital emergency room. An adult will accompany and stay with the child to the emergency room until a parent/guardian assumes responsibility for the child's care.

Child Abuse Reporting:

Hawaii State Law dictates that all teachers and childcare givers are required to report any suspected cases of child abuse or neglect to Child Protective Services.

If someone other than the parent/guardian is picking up the child, a note is needed with the authorized person’s name as well as a current phone number so that the parent/guardian can be reached for verification.

### **STUDENT WITHDRAWAL**

Families desiring to withdraw a student from St. Michael School should provide a notification at least two (2) weeks prior to planned withdrawal. This time frame will allow administration personnel time to complete transfer documents, compile student records, and provide final billing in order to rectify outstanding accounts. If this is regarding a military transfer, please provide the school a copy of the transfer orders. Final grades will try to be tabulated but cannot be guaranteed to be available upon the student’s final day. Parents are encouraged to leave a mailing address in order for the school to provide remittance and mail any corresponding documents. Each situation will be handled on a case by case basis. Lunch:

The school provides a lunch service through Aina Meals. Lunch may be purchased monthly through the school office. If a student brings home lunch, it is strongly recommended that lunches have a good nutritional value. NO glass containers are allowed for safety reasons. Please note that students do not have access to refrigerators or microwaves on campus. If lunch will be dropped off prior to your child’s lunch period, please label the lunch properly. **Under no circumstance should a parent/guardian drop off the lunch directly to a classroom.**

### **STUDENT / PARENT / TEACHER CONFERENCES**

Student/Parent/Teacher conferences are mandatory and normally scheduled during the midterm of the First Quarter. These conferences provide an opportunity to discuss the student’s personal and social development as well as their academic progress. They also offer an opportunity to acknowledge and encourage each student’s strengths, while setting realistic goals to overcome weaknesses. Parents may schedule other conferences by contacting the child’s teacher or the principal.

## PARENT – SCHOOL COMMUNICATION

Communication between the school and home is absolutely essential! Parents of St. Michael School students have a serious responsibility to foster their children's faith and academic development. Parent involvement at school is also crucial in your children's spiritual and social developments.

Emails and newsletters will be sent home in a timely manner. Any questions or concerns regarding communication should be routed through your child's homeroom teacher or through the school office. Your child's homeroom teacher will also be communicating with you in various ways.

### **ACADEMIC PROBATION**

Students who receive at least one F, two D's, or a cumulative GPA below 2.0 at the end of the quarter will be placed on Academic Probation in the following quarter. The purpose of Academic Probation is meant to help encourage students to improve work ethics as well as grades. In order to continue enrollment at St. Michael School, the following procedures will need to take place:

- A conference needs to be scheduled between the parents, teachers, and principal to devise a working plan of action.
- The student may be asked to schedule a meeting with the pastor to discuss any personal, emotional or spiritual concerns.
- The student will be required to meet weekly throughout the quarter with the principal to check on the status of his/her grades and academic progress.
- If necessary, tutoring or study hall will be scheduled, including after school, and recesses may be forfeited if assignments are missing, incomplete, or of poor quality.

If the student fails to improve in the following quarter, parents may be asked to consider another school for the student.

### **ACADEMIC PROGRAM**

In **RELIGION**, students are provided a comprehensive study of Catholic doctrine and heritage, prayer, and worship to deepen awareness of their relationship with God and others. All students are expected to attend classroom periods of religious instruction and scheduled church services.

The **LANGUAGE ARTS** curriculum offers a strong systematic approach to reading through understanding and the use of sounds, providing high frequency writing words to promote the transfer of spelling success to daily writing. Students also are encouraged to develop effective communication skills as they participate in class discussions, the writing process, and prepared reports and speeches.

The **READING** curriculum develops the basic decoding/phonics, comprehension, references, and study skills. The middle school students focus on literature and writing.

The **MATHEMATICS** curriculum emphasizes basic computational skills, abstract concepts, and problem solving.

**SOCIAL STUDIES** consists of keeping abreast of current events and discussing how it affects our lives, fostering an appreciation of people around the world, our American heritage and Hawaiian culture. The goal is to instill an awareness of how history has shaped our world into what it is today, and formulate ideas and ways into continuing to make this world a better place to live in.

The **SCIENCE** curriculum is designed to offer a variety of meaningful experiences to develop children's natural curiosity about themselves and everything around them as they explore life, earth, and the physical sciences. Every grade level also incorporates components of "STREAM" (Science Technology Religion Engineering Art & Math) into their curriculum.

**TECHNOLOGY LITERACY** is integrated into the school's curriculum. Students utilize Chromebooks daily that enhance their classroom environment as "technology natives" and 21<sup>st</sup>-century learners. Proper use of technology and information is emphasized. Students also have technology projects to help them become more familiar with different applications.

**GENERAL MUSIC and CHOIR** helps to develop students' creativity through the study of singing and music appreciation topics. The choir also assists in enhancing our school worship during Mass and at special performances throughout the year.

**ART** is integrated into the curriculum to develop and cultivate the aesthetic values of the students and their varying cultures and to instill each appreciation of the fine arts.

The **PHYSICAL EDUCATION** curriculum is assigned to promote and maintain the individual's physical fitness through development and motor activities. The primary goal in this program is to help an individual develop a sense of fair play, leadership skills, enjoyment of movement, respect for rules and authority.

### **DISCIPLINE INFRACTIONS / DETENTION**

The disruptive student must leave quickly, silently, and solemnly when asked to leave the classroom or be assigned to a designated area by the teacher. If given a conduct referral, the student must report immediately to the office, sign in on a designated form and remain there to complete the given assignment. The student must maintain silence in the office and is responsible for all work missed in class.

While reporting to the office may seem somewhat unusual, it has proven very effective as power struggles in the classroom are averted, and the student becomes aware, in a respectful manner, that his/her behavior at the moment is not acceptable.

**Minor Infractions** would include the following: running in the hallways or classrooms, using inappropriate language, chewing gum, littering, etc.

**Serious Infractions** are dealt with immediately on an individual basis by the principal. Parents will be notified, as suspension and dismissal may be considered for any serious violation. Some major infractions would include the following: hitting, bullying of any kind (including but not limited to cyber, verbal, written, etc.), smoking, drug use or possession, vandalism, defiance towards authority figure, hostility, stealing, tampering with fire alarms, gambling, intimidation, and possessing or using harmful and dangerous weapons (guns, knives, bombs, etc.)

Student offenders will be expected to make amends to the school through service and/or monetary value of damages. Parents will be notified of the arrangement made by the school administration for their child(ren).

Academic cheating or plagiarism is also a serious offense. Cheating is wrong whether it is homework, class work, or a test. It is stealing from another individual. It hinders students from seeking help from the proper sources and students do not assume their responsibility of getting their work done.

A student who decides by his/her repeated misbehavior that he/she doesn't want to be part of St. Michael School will be asked to leave. All consequences for the above infractions will be handled on a case by case basis and is at the discretion of the school administration.

## DRESS CODE GUIDELINES

All students attending St. Michael School are required to wear the proper school uniform. **Students' appearance contributes greatly to their personality and attitude in and out of the classroom; therefore, they need to develop a respect for the Dress Code and wear their school uniform with pride.** St. Michael School polo shirts, crew socks with SMS symbols, hooded jackets, and Physical Education uniforms are purchased from our school office.

Should a student not comply with these dress guidelines, parents/guardians will be notified and requested to bring a proper school uniform for a change, or consequences will be given to the student. Non-compliance to dress guidelines will affect a student's evaluation for personal development and will be reflected on their report card. **Uniforms must be clean, neat, and presentable. Stained, worn, faded, and outgrown uniforms MUST BE REPLACED.**

## STUDENT ASSEMBLIES

Generally, the student body gathers together every Monday and Friday morning in the school courtyard to pray, reflect on Scripture, witness the raising of the flag, recite the pledge of allegiance, recite the school wide learning expectations, and sing the school alma mater, national anthem, and state anthem. New incoming parents/students will receive the contract upon a student's acceptance. Enrollment, admission, and assignment to a class will be completed upon completion of all financial obligations. The student contract clearly states all fees are non-refundable upon enrollment. The contract lists the current tuition rate and payment options as well.

## **FACTS TUITION MANAGEMENT PROGRAM**

The FACTS Tuition Management Program is an automatic cash transfer plan in which cash is automatically transferred to the school. This program removes the school from the role of "bill collector" and still allows us to minister to any special need that may arise within a family. It also saves the school the cost of postage and printing of statements as well as the time required in bookkeeping and collection for every student's tuition account. This program also allows parents to monitor their account online to track on their own – please check with office on special details.

Parents also benefit by not having to write a check each month and mailing or delivering it to the school and risking the account of being delinquent. If tuition becomes delinquent students will be released from school and the account will be sent to a collection agency.

*\*\*All families are required to be on the FACTS Tuition Management Program.\*\**

### **Late Fee/Returned Check Fee:**

There will be a monthly late fee of 1% of the payment due. There is also a \$30 fee for any check returned to St. Michael School by the bank because of insufficient funds, etc.

A tuition discount will be applied to families that enroll in automatic payment deductions through FACTS.

## **FUNDRAISERS**

**Families are required to participated in two mandatory annual fundraisers; one for Fall and one for Spring.** Each family is required to raise at least \$150.00 for each fundraiser, or \$300.00 total for both. We also encourage parental support and participation in other fundraising activities of the school that take place throughout the year.

**Families may "opt out" of the required participation if they make a \$249.00 contribution to Saint Michael School through Foodland's Give Aloha program in September.** If a family makes the required contribution, they must turn in a copy of their receipt of contribution to the school office with the student name written on the receipt.

# EMERGENCY SITUATION GUIDELINES

## **FLOOD ZONE**

St. Michael School is not in a flood zone. (Flood Zone X)

## **FIRE DRILLS**

Fire Drills will be held periodically. Under the supervision of teachers, the children will leave their classrooms in an orderly fashion. All will proceed to the meeting place at the far side of the playground away from the building.

In the event that our facility would be damaged by fire and uninhabitable, we will care for the children at the church and will call you to pick up your children as soon as possible.

## **PANDEMIC FLU**

In the event of a pandemic flu crisis, the school will continue to operate until it is ordered to close or the school cannot function safely due to lack of staffing. It is encouraged to promote and maintain good hand hygiene, regular cleaning and disinfection of surfaces in school, and other infection control measures.

## **TSUNAMI WARNING**

Our school is on the fringe of the tsunami inundation zone. There is also a 24-hour warning notice. The following procedures have been adopted in the event of a tsunami warning:

- If a WARNING is issued while school is in session, our teachers will remain with the children, feed and care for them, until you can safely pick them up.
- You do not need to leave work or rush to school.
- If you are in, or can get to, a safe area close to where you work, it is recommended you remain in the safe area until the “all clear” is announced to avoid contributing to unnecessary traffic on roads and highways.
- If a WARNING is issued before school begins, classes will be canceled and the school will be closed.

## **HURRICANE/TROPICAL STORMS**

Hurricane or Tropical Storm WATCHES are issued by the National Weather Service 36 hours prior to the arrival of storm effects. Hurricane or Tropical Storm WARNINGS are issued when one of these storms could affect Oahu on 24 hours or less. When a WATCH is issued, we will monitor the storm and make decisions to close the school before the issuance of a WARNING. The timing of the closure will generally coincide with the end of a normal school day.

## **EARTHQUAKE**

There is a high probability that a damaging earthquake will affect Oahu within our lifetime. Presently, there is no advance warning of an earthquake.

### **Response Procedures:**

In the event of an earthquake during school hours, the students, faculty, and support personnel will follow these procedures:

- If indoors, remain indoors and take cover next to desks, tables, benches, supported doorways or against inside walls away from glass, windows and outside doors.
- If outdoors, remain outdoors and move away from the building, utility poles/wires, tall trees, etc. Once in the open, remain there until the shaking stops.

- Do not run through or near buildings. The greatest danger from falling debris is just outside doorways and close to outer walls. Do not use candles, matches, or other open flames either during or after tremor. Extinguish all fires.

#### **Recovery Procedures:**

- Once the shaking stops, everyone will remain in place (if indoors, remain indoors; if outdoors, remain outdoors) until advised otherwise by the Principal or designee. **NO ONE WILL BE ABLE TO LEAVE THE CAMPUS.**
- Teachers will immediately account for all students and report any missing students to the Principal or designee during the damage assessment.
- The Principal or designee will make a preliminary assessment of the damage. If the classroom structure is unsafe or questionable, everyone will be taken to safer locations. The Principal or designee will also determine the status of those reported missing.
- The office staff, will treat and care for anyone who is injured.
- The Principal or designee will determine the condition/availability of survival equipment and supplies (water, food, flashlights, portable radios, extra batteries plastic bags, etc.), prepare and establish priorities for their use, and advise civil authorities of needs.

NOTE: Should an earthquake of significant magnitude occur on Oahu, considerable disruption to our road and communication networks is anticipated. If your child(ren) is/are in school at that time, you may not be able to reach them even if you live close by. Rest assured the staff and faculty will care for your children until you can safely pick them up. As recommended by Oahu Civil Defense, we have made preparations to survive for up to 72 hours without outside assistance.

**As a “rule of thumb” when a warning is issued, listen to your local radio or television station to see if St. Michael’s School is open or closed before school begins. When possible, a notice will also be posted through our Facebook and school website.**

#### **BALLISTIC MISSILE THREAT**

If civil defense sirens are sounded during school hours due to a possible ballistic missile attack, there is only about 15-20 minutes to react:

- Preschool-Grade 1 & High School: Teachers will quickly gather and account for students into the Preschool Technology Room (center room).
- Grades 2-8: Teachers will quickly gather and account for students into the mail room & backroom of the office.

Due to the limited time span and safety concerns, parents are advised to not come to the school, but to seek shelter in a location nearest to them.

#### **ACTIVE SHOOTER SITUATION**

Unfortunately, the incidents of active shooters in schools have become much more prevalent in our country. St. Michael School is still in the process of developing a solid emergency and lockdown plan in the event of an active shooter situation on our campus. In addition to an execution plan, St. Michael School is also looking into increasing other security features around the campus such as the installation of cameras, door jamming features, and others.

## CODE OF CHRISTIAN CONDUCT

The students' interest in receiving a quality, morally based education can be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the student behaves in a manner, both on and off campus that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles or procedure set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies, principles or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. These expectations for students and parents/guardians include, but are not limited to; all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step.

## WELLNESS POLICY

This policy supports the mission of St. Michael School, a Hawaii Catholic School. The school community recognizes that a poor diet, combined with the lack of physical activity has a negative impact on student's health and their ability to learn, both short term and long range.

The National Catholic Education Association statement on Accountability and Assessment in Catholic Education states that: *"We hold a sacred trust to educate and form the whole person – mind, body, and spirit."* As Catholic educators, we believe in providing consistent school activities and an environment in which students can learn to make lifestyle choices that promote their healthy futures.

*The Wellness Policy of St. Michael School is to:*

1. Provide a positive environment and appropriate knowledge of health food choices and the benefits of daily physical activity that:
  - a. Ensure that students have access to healthy food choices and safe physical activities at school and at school functions.
  - b. Provide a pleasant eating environment and secure playground for students and staff.
  - c. Allows sufficient time for students to eat lunch and to engage in social activities for physical fitness prior to consuming meals.
  - d. Enable students through a comprehensive health and physical education curricula to acquire the knowledge and skills necessary to make healthy food and physical activity choices for a lifetime.
2. Reduce student access to foods of minimal nutritional value through a five-year (5-year) plan that focuses on and:
  - a. Ensures the integrity of the school lunch program by discouraging food and beverage sales that are in conflict with the lunch program.
  - b. Encourages teachers, students and parents to make healthy, nutritious food choices when food is used as part of a class or student incentive program, curricular lesson or fundraiser.
  - c. Practices selective pricing that favors sales of healthy foods over unhealthy food choices.
  - d. Food and beverages sold or served at school will meet or exceed the nutrition recommendations of the United States Dietary Guidelines for Americans.
3. Provide opportunities for school community involvement in the development, review, assessment, and implementation of St. Michael School's Wellness Policy, and to ensure that this policy is being met.
  - a. A school committee shall utilize the School Health Index and/or other sources of evaluation to identify priority areas, monitor improvements, and report findings to the school principal or his/her designee annually.

## BULLYING POLICY

St. Michael School recognizes that bullying and intimidation have a negative effect on school climate and negate the spirit of dignity and uniqueness of each individual we advocate in a Catholic school. Students who are intimidated and fearful cannot give their education the single-minded attention they need for success. Bullying can also lead to more serious violence. Every student has the right to an education and to be safe in and around school.

1. **Definition of bullying.** Bullying is a pattern of abuse over time and involves a student being “picked on.” Bullying includes physical intimidation or assault; extortion; oral or written threats; teasing; putdowns; name-calling; threatening looks; gestures, or actions; cruel rumors; false accusations; and social isolation.
2. **Bullying is prohibited.** The St. Michael School community shall not tolerate any bullying on school grounds or at any school activity on or off campus.
3. **Staff intervention.** St. Michael School expects all staff members who observe or become aware of an act of bullying to take immediate, appropriate steps to intervene-unless intervention would be a threat to staff members’ safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school administration for further investigation.
4. **Students and parents shall report bullying.** St. Michael School expects students and parents who become aware of an act of bullying to report it to the school administration for further investigation. Any student who retaliates against another for reporting bullying may be subject to the consequences listed below in paragraph 6.
5. **Investigation procedures.** Upon learning about a bullying incident, the principal, or designee, shall contact the parents of both the aggressor and the victim, interview both students, and thoroughly investigate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues.
6. **Consequences/intervention.** Consequences for students who bully others shall depend on the results of the investigation and may include counseling; a parent conference; detention; suspension and/or expulsion. Depending on the severity of the incident, the principal may also take appropriate steps to ensure student safety. These may include implementing a safety plan; separating and supervising the students involved; providing staff support for students as necessary; and developing a supervision plan with the parents.

## Technology and Internet Acceptable Use Policy

The Technology policy provides procedures, rules, guidelines and codes of conduct for the use of technology and the information network at Saint Michael School. Use of technology is a necessary, innate element of St. Michael School's educational mission, but technology is provided to staff and students as a privilege, not a right. St. Michael School is committed to protecting our students and faculty internet use. The school internet service and network is intended for students, faculty and staff for educational and administrative purposes only, and is designed to guide users through its vast resources and to minimize the possibility of student accessing materials that are inappropriate for minors. However, St. Michael School can't guarantee that such materials will not be accessed. Acceptance of our St. Michael School technology policy by parent/guardian is required during the enrollment process.

Please review the policy below with your child(ren):

- Students will only access appropriate information which is relevant to their work.
- Students will make no attempt to access sites containing inappropriate material and/or sites without educational content related to their work.

If accessing such sites outside of St. Michael School, students are prohibited from mentioning themselves or other St. Michael School students or creating groups within these sites naming St. Michael as their school.
- Students are prohibited from using St. Michael School Chromebooks, tablets, or other devices to download MP3 files, media files, videos, music, text, images, and inappropriate files. Students will not download any files without teacher permission.
- Students will not plagiarize work found on the internet. Plagiarism is taking the ideas or writings of others and presenting them as your own.

- Displaying, posting, printing or sending material that is contrary to the mission or values of St. Michael School, including obscene, pornographic, sexually explicit, offensive materials or materials and information that are contrary to Catholic teaching. Any information distributed through St. Michael School computing and networking facilities is a form of publishing and is subjected to some of the same standards as other types of publications
- Intentionally or negligently distributing malicious software, such as computer worms, viruses or Trojan horses

Saint Michael School reserves the right to place reasonable restrictions on the material students may access or post through the system and will perform routine maintenance and monitoring of its internet service. Depending on the severity of the infraction, the consequences can range from a detention to expulsion. Additional restrictions may be placed on the student's use of St. Michael School's internet service.

**Technology and Internet Acceptable Use Policy  
for All School Employees and Students in Grades 5-8  
St. Michael School, Waialua, Hawaii**

Technology is an essential educational tool whose use must be grounded in the values and mission of Catholic education. All users, faculty, staff, administrators, and students, are expected to exhibit high standards of behavior at all times when using the Internet, email and other technology.

The use of the school's network and the internet is a privilege, not a right. The use of computer systems and the Internet at School must be in support of the educational mission and objectives of the Diocese of Honolulu and of St. Michael School. Inappropriate use may result in cancellation of those privileges. Based upon the Acceptable Use Policy guidelines in this document, the Principal will deem what is inappropriate use and his/her decision is final. In addition, the Principal has the right to close an account at any time. School authorities may take other disciplinary actions for any unacceptable behaviors. The administration, faculty and staff may request that the Principal deny or revoke specific user access. Additionally, the cost of any repairs caused by inappropriate behavior will be the responsibility of the student and his/her family.

Prior to being given access to the school's computers and internet, all staff members, as well as students in grades five through eighth and their parent(s), must return the signed Technology and Internet Acceptable Use Contract. Students in grades K-4 will return the Computer and Internet Promises form. These agreements will be completed every year.

System users at school have no right to privacy and should have no expectation of privacy in materials sent, received, or stored in school-owned computers or on the school network. All communications (including email) and information accessible via the network is school property. Messages relating to or in support of illegal activities may be reported to authorities. The technology coordinator/system administrator supervises the use of the network by students and school personnel. He/she has access to all files and email and may authorize access as necessary. Security on our computer system is a high priority. Anyone with reason to suspect a security problem on the school network must notify an appropriate authority.

At school, the faculty and staff blend thoughtful use of computers and the internet throughout the curriculum and provide guidance and instruction to students in their use. The school provides controls and filtering protection on the school's network. Outside of school, families bear responsibility for the education and monitoring of their students in internet and computer usage much as they do with television, telephones, radio, movies, and other media. The school may not be held responsible for users' intentional misuse of the Internet or equipment.

**Acceptable Computer and/or Internet Use**

1. The school's technology is meant for educational purposes: classroom instruction, research, and/or approved projects. In order to accomplish these goals, the School's computers may be used for accessing research databases and libraries of information in the form of text, graphics, photographs, video, and sound, as well as for interacting and collaborating with others.
2. Users are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) being polite, using appropriate language, properly citing and/or obtaining permission for all information from research sources when the information used from those sources is included in a work as a direct quote or paraphrase.

**Technology and Internet Acceptable Use Policy

2. Attempting to log on to the School network or the Internet using a user ID/password other than his/her own. Sharing passwords or trespassing in other's folders, work or files.
3. Sending any written comment or picture that is malicious regarding another student or individual. All forms of e-communication harassment of any kind, unfounded accusations, derogatory remarks, confidential information or promotion of illegal or immoral behavior.
4. Sending and receiving of any material in violation of any national, state or local regulation. This includes, but is not limited to, copyrighted, threatening or obscene material.

## **Computer and Internet Promises for Grades K-4 St. Michael School Waialua, Hawaii**

The use of the Chromebooks, tablets, and other devices at St. Michael School must be for learning. We believe that using technology to learn is an important tool so long as students act responsibly.

Use of devices is a privilege, not a right, and improper use will result in losing those privileges. The Principal will decide if improper behavior has occurred and whether privileges are to be taken away. His/her decision is final.

When you use St. Michael School devices, the Principal, teacher, and other responsible adults have the right and ability to look at your files and activities. Make sure that what you put in the computer system is courteous, legal, and acceptable.

Security on our technological systems is important. If you see anyone trying to use other people's work or trying to go to areas that are not allowed, it is your responsibility to notify the teacher.

Just like parents monitor what you watch on television or the movies, listen to on the radio, or talk to on the telephone, St. Michael School will provide guidance on what is proper and teach you how to use devices that connect to the internet in a responsible way.
