

Summer Programs

PRESCHOOL/KINDERGARTEN (in-person)

June 7-July 16, 2021

This summer program is designed especially for our youngest learners to build their classroom learning skills in a fun and engaging manner. Every Friday is "water day", so they will not be missing out on enjoying their summer vacation.

Full-day and half-day options available.

GRADES 1-8 (in-person)

June 7-July 2, 2021

Students entering Grades 1-8 will have morning sessions reinforcing math and language arts concepts so that the "summer slide" does not set them back next school year. Session 3 is designed to appeal to students' creative side as the dive into arts, music, or STEM in this optional session.

HIGH SCHOOL (online)

**self-paced*

Students entering Grades 9-12 have a variety of courses to choose from to either get ahead by earning additional credits or to remediate for any lost credits. Courses are all online and allow students to work over the summer at their own pace.
